Confidential Information and any and all authorized copies thereof shall remain the property of the disclosing party. Notwithstanding any provision contained in this Agreement, neither party shall be required to maintain in confidence any of the following: (i) information that, at the time of disclosure to the receiving party, is in the public domain; (ii) information that, after disclosure, becomes part of the public domain without restriction, except by breach of this Agreement; (iii) information that was in the receiving party's possession at the time of disclosure, and which was not acquired, directly or indirectly, from the disclosing party; (iv) information that the receiving party can demonstrate resulted from its own research and development, independent of disclosure from the disclosing party; (v) information that the receiving party receives from third parties, provided such information was not obtained by such third parties from the disclosing party on a confidential basis; or (vi) information that is produced in compliance with applicable law or a court order, provided the other party is given reasonable notice of such law or order and an opportunity to attempt to preclude or limit

such production. Notwithstanding anything to the contrary, Novawatch may disclose Client as a Client in sales presentations, other press releases, product brochures, and other marketing material if agreed to by Client.

NO SECURITY TESTING OR MONITORING IS 100% INFALLIBLE. CLIENT UNDERSTANDS AND ACCEPTS THAT IT IS IMPOSSIBLE TO TEST THE VARIOUS SYSTEMS (HARDWARE, SOFTWARE AND NETWORK) WHICH MAY HAVE VULNERABILITIES WHICH ARE NOT KNOWN AT THE TIME OF TESTING OR FOR THE MATHEMATICAL UNIVERSE OF ALL POSSIBLE INPUTS/OUTPUTS FOR EACH SOFTWARE OR HARDWARE COMPONENT IN USE. EXCEPT WITH RESPECT TO ANY INDEMNIFICATION CLAIMS, NOVAWATCH'S AGGREGATE LIABILITY TO CLIENT UNDER THIS AGREEMENT SHALL NOT EXCEED THE TOTAL FEES PAID BY CLIENT TO NOVAWATCH UNDER THE SOW GIVING RISE TO THE LIABILITY.

Indemnification. Each party at its own expense shall indemnify, defend, and hold the other party free and harmless from any and all claims, damages, losses, costs, actions, and expenses, including reasonable attorney's and experts' fees arising from any claim or contention (a) arising under this Agreement or (b) the breach of warranties, representations and obligations under this Agreement. Without limiting the generality of the foregoing, Novawatch, at its own expense shall indemnify, defend, and hold Client free and harmless, against any claim that the Services infringe any U.S. patent, Berne Convention copyright or misappropriates any third party's trade secret. Notwithstanding the foregoing, Novawatch shall have no obligation to indemnify Client under this Section to the extent any claim of intellectual property infringement is based upon or arising out of (i) any unauthorized modification or alteration to the Services made by Client, in the event such infringement would have been avoided but for such modification or alteration, (ii) Client's continuance of allegedly infringing activity after being notified to stop using the Services, (iii) Client's failure to use corrections or enhancements made available by Novawatch, and/or (iv) use of the Services not in accordance with the applicable Documentation or outside the scope of the license granted under this Agreement.

Sole Remedy. The foregoing remedies constitute Client's sole and exclusive remedies, and Novawatch's entire liability, with respect to intellectual property infringement.

10. Term and Termination.

Term. This Agreement shall commence as of the Effective Date as set forth below and shall continue for the term set forth in the applicable Order or SOW, including any renewal terms agreed to by the parties (the "Term").

Termination. This Agreement may be terminated by either party upon thirty (30) days prior notice for any material default or breach of any of the material terms and conditions of this Agreement by the other party, unless the defaulting party has cured such failure or default within such 30-day period; or immediately upon notice, if (i) the other party is subject to a bankruptcy proceeding, whether voluntary or involuntary, which is not dismissed within sixty (60) days or makes an assignment for the benefit of creditors, or if a receiver, liquidator, administrator, or trustee is appointed for such party's affairs is initiated and not dismissed within sixty (60) days or (ii) the other party is dissolved. If this Agreement is terminated by Novawatch due to an uncured breach by Client, Client shall immediately pay Novawatch all outstanding fees due to Novawatch under the remaining term of the Agreement and shall reimburse Novawatch for any unreimbursed costs incurred for the benefit of the Client (including, but not limited to any software licensing fees incurred for the Client's benefit). Upon any termination or non-renewal of this Agreement, the Client may request that any data logs be provided by Novawatch, for which the Client agrees to pay Novawatch at its normal hourly rate (time and materials) for extracting and providing such data (up to 12 months or equal to the term of the services provided to Client and subject to any limitation of the tool). Termination of the contract is not allowed due to any limitation of the Client to fully deploy and leverage the Services.

Effect of Termination. Upon termination of this Agreement for any reason, the provisions of 5, 6, 7, and 9 shall survive. Upon termination of this Agreement, Client shall immediately pay Novawatch all outstanding fees due under this Agreement and shall promptly return to Novawatch, or, at Novawatch's option, destroy, all copies, in any medium, of the Services and all Confidential Information of Novawatch. Notwithstanding anything to the contrary, Client understands and acknowledges that this Agreement is for a specific term set forth in the SOW and there are limited termination rights. If the Client has (i)

defaulted under the Agreement by failing to make the monthly payments due under this Agreement or any applicable SOW between the Novawatch and the Client, or (ii) or breached this Agreement by attempting to terminate this Agreement without cause, the Client shall immediately pay the Novawatch as liquidated damages for such default or breach an amount equal the remaining monthly fees owed to the Novawatch for the number of months remaining in the Term (or any renewal term, as applicable) as of the effective date of such default or breach by Client, as well as reimburse Novawatch for any costs incurred for the benefit of the Client including, but not limited to any software licensing fees incurred for the Client's benefit (the "Liquidated Damages"). In the event that the Client is, in part or in whole, liquidated, dissolved, merged into a third party, acquired by a third party, or involved in any other transaction that materially reduces the assets and/or accounts serviced by the Novawatch pursuant to this Agreement, the liquidated damages provision set forth above will apply, and will be adjusted rateably if any of the events described above is partial. Any liquidated damages amount payable to the Novawatch will be payable on or before the date of the event that triggers the payment obligation. Inasmuch as a breach or default by the Client will cause substantial damages to the Novawatch and because of the difficulty of estimating the damages that will result, the Parties agree that the Liquidated Damages is a reasonable forecast of probable actual loss to the Novawatch and that this sum is agreed to as liquidated damages and not as a penalty. Client agrees that it shall be liable for all attorneys' fees and costs incurred by Novawatch in connection with enforcement of this liquidated damages provision.

11. General Provisions.

Unless otherwise provided in this Agreement, all notices under this Agreement shall be in writing and notices from Novawatch shall be sent by email to the e-mail address on file with Novawatch and notices sent by Client shall be sent by email to the email address on file with Client or express delivery service to Novawatch, addressed to the address specified on the first page of this Agreement. No Assignment. Neither party shall assign, transfer, or pledge this Agreement, or any interest or rights of any kind herein, without the prior written consent of the other party, except in connection with a merger, reorganization, or sale of all or substantially all of the business or equity interest of the assigning party. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the parties and their successors and assigns.

Independent Contractors. In performing this Agreement, each of the parties will operate as, and have the status of, an independent contractor. This Agreement does not create any agency, employment, partnership, joint venture, franchise, or other similar or special relationship between the parties. Neither party will have the right or authority to assume or create any obligations or to make any representations, warranties, or commitments on behalf of the other party or its affiliates, whether expressed or implied, or to bind the other party or its affiliates in any respect whatsoever.

Any use, duplication, modification, or disclosure by the United States Government is subject to the restrictions set forth in these clauses and shall be governed by this Agreement to the maximum extent permitted by law.

Choice of Law; Choice of Forum. EACH PARTY EXPRESSLY WAIVES THEIR RIGHT TO A TRIAL BY JURY. Any disputes under this Agreement or any SOW shall be resolved exclusively by final and binding arbitration administered by the American Arbitration Association ("AAA") and conducted before a single arbitrator pursuant to the applicable Rules and Procedures established by AAA ("Rules and Procedures"). You agree further that the arbitration shall be held in Phoenix, Arizona, and that the arbitrator shall apply Arizona law consistent with the Federal Arbitration Act and applicable statutes of limitations and shall honor claims of privilege recognized at law.

Injunctive Relief. Client acknowledges and agrees that any breach of this Agreement relating to Novawatch's intellectual property rights in the Services would cause irreparable harm to Novawatch for which recovery of money damages would be inadequate. Therefore, in addition to any and all remedies available to Novawatch at law or in equity, Novawatch shall be entitled to obtain injunctive relief to protect its intellectual property rights hereunder. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be invalid, illegal, or otherwise unenforceable in any respect, the validity, legality, and enforceability of the remaining provisions contained herein shall not, in any way, be affected or impaired thereby.

Entire Agreement. This Agreement, all Orders, Statements of Work, and any documents referenced herein constitute the entire agreement of the parties concerning its subject matter and supersedes all prior or contemporaneous, written or oral, negotiations, correspondence, understandings, and agreements between the parties respecting the subject matter of this Agreement. Any additional terms in any Client purchase order or other ordering document are expressly rejected by Novawatch.
